How to Receive Your Activation Code

For security and service purpose, the number in the scratch card is Serial Number. Before installing the program, please use this Serial Number to register at our website to receive your Activation Code. Once the registration is complete, the system will send the Activation Code via your email, SMS and Pop up on your computer screen immediately. Please follow the below steps to register your product.

1. Browse www.thaikaspersky.com or www.locom.co.th
2. Click  button to register your new package or click  button to register your renewal package.
3. Follow the instruction on screen and fill in the necessary information.
 - a. System will send the Activation Code via your email, SMS and pop up on your computer screen. Filling in the real information will ensure you receive the Activation Code, please recheck your data again after you fill in
 - b. For renewal registration, you have to fill in your previous Serial Number in order to enjoy the special offer.

4. After your registration is confirmed, system will send the Activation Code via email, SMS and pop up on your computer screen. Please use this Activation Code to activate your program.

Activate Multi User Package

- For 3 PCs package, you will receive one Serial Number. Use this Serial Number to register at our website to receive one Activation Code. Use this Activation Code to activate your 3 computers.
- The license period starts from activation of code on the 1st PC

Renewal your Kaspersky program

- You need to use New Package for one year and New Package's serial number needs to be registered in Thailand only.
- If you are using renewal this year, only new package can be used to activate the program next year.
- Product may only be renewed with its corresponding renewal package. For example, if you purchase Kaspersky Internet Security 1 PC (New Package) last year, you only can purchase Kaspersky Internet Security 1PC (Renewal Package).
- The renewal package should be the same as new package. For example, you use Kaspersky Internet Security 1 PC (new package) on the last year. For renewal, you need to use Kaspersky Internet Security 1 PC (renewal package)
- Re-subscription can be made within 90 days after the expiration date.
- After registration is complete, it is recommended to let the license expire before installing and activating the renewal program.
- 30-day trial version cannot be renewed.
