Data sheet

HP LaserJet Pro MFP M225 series

Improve productivity with automatic two-sided printing and wireless connectivity options.¹

This powerful MFP increases productivity with automatic two-sided printing, an intuitive touchscreen with scan-to options, easy wireless connectivity,¹ built-in networking, security features, and mobile printing options.⁸

(HP LaserJet Pro MFP M225dn)

(HP LaserJet Pro MFP M225dw)

Designed for productivity

- Save time and help reduce paper costs, using reliable automatic two-sided printing and copying.
- Scan and send digital files directly to a USB drive, the cloud, email, or network folders.²
- Work smarter—access content and quickly launch tasks from the 3-inch colour touchscreen.³
- Improve office efficiency with the automatic document feeder and included, 1,500-page toner cartridge.⁹

Connect and protect your MFPs

- Connect, manage, and help keep data secure with built-in features.
- Start printing, scanning, and copying right away with painless setup.⁴
- Easily print from virtually anywhere in the office using Ethernet and wireless connectivity.¹
- Connect via USB, and access tools at your PC to manage your MFP and supplies.

Printing made mobile⁸

- Send print jobs quickly and efficiently—wirelessly without a network.⁵
- Easily print from mobile devices at work, home, or on-the-go with this Mopria-certified MFP.^{6,8}
- Quickly print from your iPhone®, iPad®, and iPod touch®, using Apple® AirPrint™—no setup or apps required.⁷
- Just walk up and print on this MFP from your USB drive, using the easy-access USB port.

¹ Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

² Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com

³ Requires a wireless access point and an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hp.com/go/eprintcenter

⁴ HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent on physical environment and distance from access point. For information on compatibility, visit hp.com/go/autowirelessconnect

⁵ Wireless direct printing is standard on the HP LaserJet Pro MFP M225dw only. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

⁶ Requires an Internet connection to an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types, and other HP ePrint details, see hpconnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.

⁷ Supports Apple® OS X® Lion, OS X Mountain Lion, and the following devices running iOS 4.2 or later: iPad® (all models), iPhone® (3GS or later), and iPod touch® (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

⁸ Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. Some features require purchase of optional module.

⁹ Declared yield value in accordance with ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For more information, visit: hp.com/go/learnabouteprint

Product walkaround

- 1 35-sheet automatic document feeder (ADF)
- 2 Flatbed scanner handles up to 8.5 x 14 in (216 x 356 mm) paper
- 3 100-sheet output bin
- 4 Power on/off button
- 5 Intuitive 3-inch (7.62 cm) colour touchscreen (M225dw model only)
- 6 10-sheet priority input tray 1
- 7 250-sheet main input tray 2
- 8 Handle for opening top cover (access to the toner cartridge)
- 9 Easy-access USB port (M225dw model only)
- 10 Rear door (access for clearing jams)
- 11 Built-in automatic two-sided printing
- 12 Built-in wireless networking (M225dw model only)
- 13 600 MHz processor, 256 MB RAM
- 14 Fast Ethernet network port
- 15 Hi-Speed USB 2.0 printing port
- 16 Fax "line in" port
- 17 Telephone "line out" port
- 18 Power connection
