**bizhub 600**

The essentials of imaging

# Add some **brilliance to**

## **Volume imaging with a brilliant difference**

Your documents are important. And when you need large quantities of prints or copies, speed and quality matter.

We have a brilliant idea for you:  
The new bizhub 600 from Konica Minolta.

We designed this multifunctional network device with your needs in mind.  
Thanks to Konica Minolta's Emperon™ print technology, you don't have to cut back on quality even when volume and speed are of prime importance.

You can rely on the results: Brilliant high-resolution black-and-white prints and copies, and of course professional finishing.

Printer, copier, scanner and fax (from early 2006) machine:

The bizhub 600 offers the communication and networking capabilities that large departments, agencies, and organisations require in today's global community.

Brilliant!

## **bizhub 600**

## Communicative features

Speed, convenience, flexibility. Busy enterprises require dependable solutions to their imaging and communications requirements.

The new bizhub 600 is a versatile black-and-white multifunctional device with unprecedented performance capabilities. Large-scale mailings, brochures and high volume printed matter: The bizhub 600 can do it all.

Its features are designed to simplify operations and increase productivity in large and busy departments. For a start, advanced network printing and scanning means that every authorised employee can access the bizhub 600 from their desktop PC. And all aspects of the system's status can be checked online.

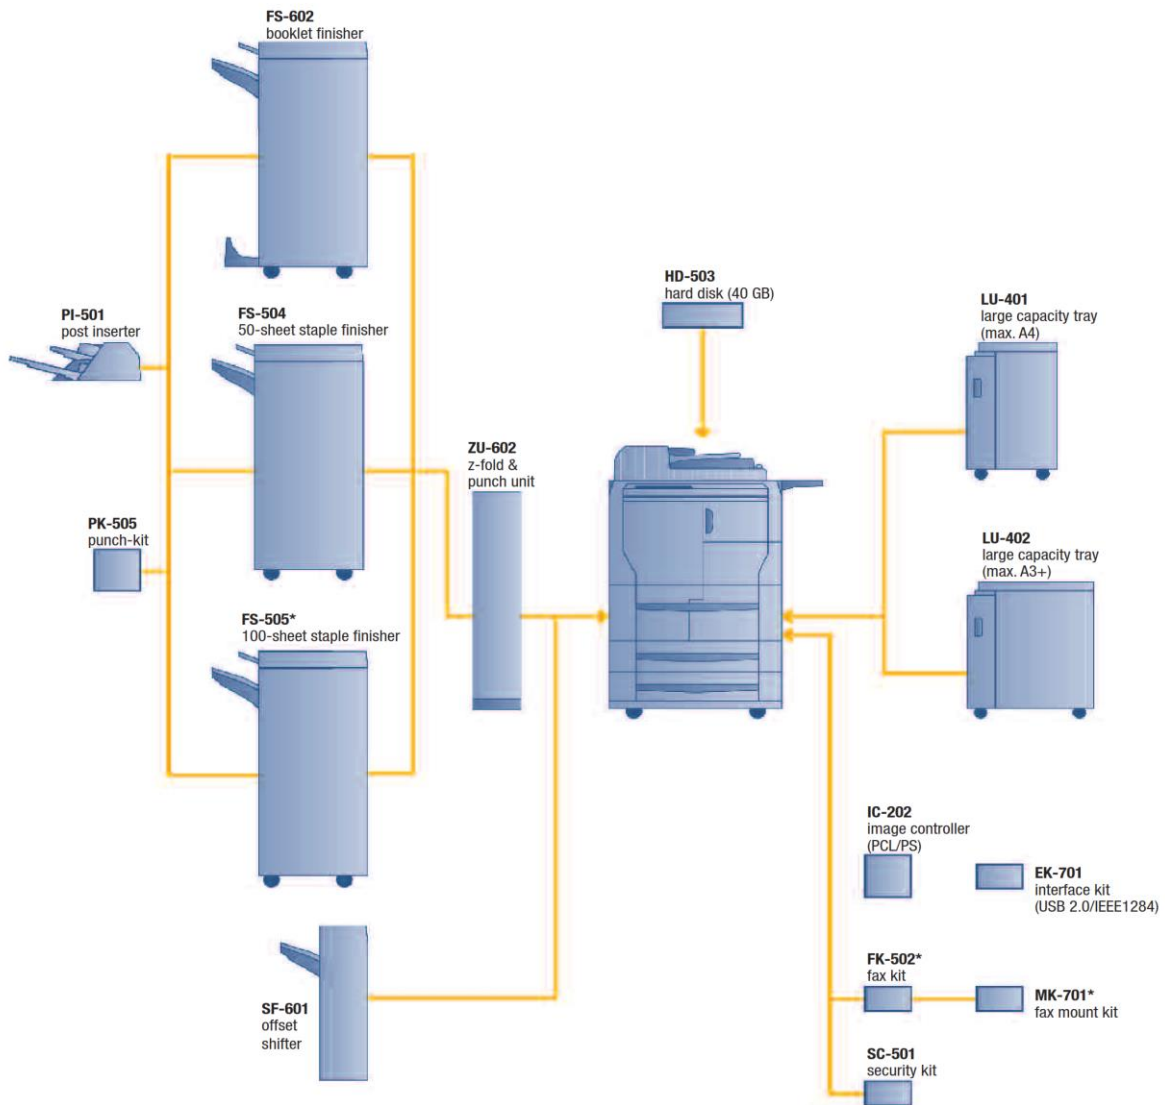

The bizhub 600 has many answers for you. Here are just a few of the ways in which it can improve your productivity and efficiency.
